LB 82-29-1

To

B. Narayanaswami Iyengar, Esquire, B.A., B.L.,
General Secretary to Government of Mysore,
BANGALORE.

Sir,

I have the honour to state that one Mr. A.V. Dyavappa Gowda, a member of the District Board brought forward for consideration a subject that the Rest House building at Kelagoor in the Chickmagalur Taluk was very rarely made use of by travellers and that it may therefore be made over to the Education Department for locating the local Primary School. The District Board considered the question at their meeting held on the 22nd July 1929 and resolved that the building may be set apart for use as a school, the cost of the building being recovered from Cess Funds.

The District Educational Officer in his letter No. F. 2064/28-29 states that the present thatched school house has on account of rains - come down and consequently the classes are being held in one of the rooms of the Rest House and solicits permission to continue to hold the school in the Rest House as the school is one growing in importance.

The building is situated on the road side midway between Chickmagalur and Mudigere and is rarely used by travellers on acoount of motor bus facilities.

The capital cost of this building which was built two years ago is Rs. 3,005/- and its condition is also quite sound.

Under these circumstances, I request that you will

be

be so good as to obtain sanction of Government to the resolution of the Board to transfer the Rest House Building to the Education Department recovering its cost from - Cess Funds.

A copy of the resolution of the Board is enclosed herein for favour of information of Government.

I have the honour to be,

Sir,

Your most obedient servant,

President,

Kadur District Board.

Resolution:- The building may be set apart for use as a school and the cost of the building debited to Cess Funds and credited to District Board.

Ed. 372-29-2

SIR,

With reference to your letter No. D. 4032/Edn. 372-29 dated 15th October 1929 in the matter of the transfer of the rest house building at Kelagur, Chickmagalur Taluk, to the Education Department, I have the honor to submit herewith a plan of the building and to state that the building is situated on the Chickmagalur-Mudigere road in mile 4/164. It is reported that the building is a substantial one with Mangalore tiled - roofing on jungle wood scantlings. It may be seen from the plan that there are four rooms with front and rear verandahs. The big room with its adjacent one may be used for class purposes. In the rear, there are two small rooms available, and these may be utilised as quarters for the teacher since houses are not available in Malnad parts for teachers. Consequent upon the abolition of the rest house at the place, the Primary school is being held at present in this building. The plinth area of the building is 1427 Sq. feet, and it is well worth purchasing for a sum of Rs. 3,000/- as fixed by the District Board which works out at Rs. 2-1-7 per Sq. foot. Since the District Board have suggested that the cost may be met out of cess funds of the District, I request that Government may be pleased to sanction the purchase of the building for a sum of Rs. 3,000/- the cost being met out of the balance available under cess funds of the - District.

I have the honor to be,
Sir,
Your most obedient servant,

N. S. Subba Rao
